

Over the past seven years JRF has created an outstanding camp first in the Mid-West and then in the East. JRF WEST Mini Camp at JCA Shalom will bring a taste of CAMP JRF to the Western Region.

JRF WEST Mini Camp's is to provide strong connections to Judaism, Reconstructionism and positive human values in the context of a beautiful fun safe environment.

As the Founding Director of Camp JRF it is my vision to continue the exciting program in this new geographic area bringing these outstanding activities, the opportunity to strengthen and create friendships and experience the magic of Camp JRF. Campers will also learn about the cornerstone of Reconstructionist experiential learning, the **Values of Spiritual Peoplehood**:
