The Jewish Campaign for Immigration Reform

Dear Member of Congress,

The Torah teaches us to "Welcome the Stranger" with love and compassion. Our Jewish community bears daily witness to the consequences of our broken immigration system in our congregations, service programs, and schools. We need an end to the suffering caused by our outdated immigration policies.

Please help pass **comprehensive immigration reform** this year that includes family reunification, a path to citizenship, enforcement that reflects our values while bolstering national security, legal channels for future immigrants, and resources to empower immigrants to integrate into our society.

Sincerely,
